

2016 KCFTOA AUTO EXTRICATION ACADEMY

Registration: <http://www.kcftoa.org>

Instructors: PUYALLUP EXTRICATION TEAM
<http://www.thepxteam.org/>

Location: Renton Fire Training Center, Station 14
1900 Lind Ave SW Renton WA 98055

Date: March 15, 16, 17, 2016

Time: 0800-1700 each day

Cost: **\$585.00 (Includes Lunch)**

Class size is limited, so sign up early!

This class offers minimal classroom time with maximum hands-on training and will walk you through modern extrication practices using hydraulic and non-hydraulic rescue tools.

This 3 day PXT- 201/202/401 class covers vehicle construction, stabilization, disentanglement, patient care and removal, along with tool knowledge. Scenario based evolutions will give students practical solutions for real world problems. There is a maximum 10 to 1 ratio for student to instructors.

There will also be a presentation on Hybrid vehicles by world renowned Randy Schmitz. This portion will detail how to mitigate hazards associated with these types of vehicles during emergency situations using the most up-to-date information.

Personal Protective Clothing is required: Extrication PPE is acceptable.

For questions contact Capt. Dave Woelber (dwoelber@kentfirerfa.org)
